FOREWARD

A few weeks ago, I attended a zoom conference call wherein Ms. Kamala Harris made a clarion call for One Million people to lead one million people to the polls. At that moment, clarity came upon me and I agreed that there needed to be the gathering of one million Men. Yes, Men are needed but to provide mentorship to our boys.

Our next generation Matters! As much as we don't want to believe it, a woman cannot teach a boy to be a man because she has never been one! Voting is fine; begging is exhausting; and praying all day is useless said the Chaplain! Faith without work is dead!

Too often it is necessary to remind myself of how easy it is to sit in judgment of each other. Yes, there is no softer seat, until you realize just how easy it is to occupy those reserved for "children of a lesser God" or so as some are classified when justice is being meted out.

HOPE! Can be both a bitter and beautiful 2-headed sword. Without proper guidance it can turn the soul inward into a vile and ugly uncontrollable beast causing the inner-me to become the enemy!

This Program was written to help alleviate some of the burdens young men face as they transition from boyhood to adulthood. Self-mastery is a never-ending journey on a complex and all too often deceptive road, without guidance survival is virtually impossible.

You must allow yourself to take your rightful place. As Gwendolyn Brooks so eloquently stated "Even if you are not ready for the day, it cannot always be night."

Godspeed,

*Dr. Wanda D. Casey
International Chaplain*

MISSION STATEMENT

Make no mistake this program was not written to convert anyone as we must all work out our own salvation. The Hosanna Boys Program is based on Torah Precepts. Line upon line, precept upon precept is required for a large group to move in sync as one. When studying Torah each reading is based on the Parashat (or parashah).

The word parashah (פָּרָשָׁה, plural: parashot) refers to a specified “section” of the holy scrolls read. The 3 sections are derived from: (a). The Old Testament (Tanakh); (b). The Letters “Prophets” (Nevi’im) and (c). The New Testament (Brit Chadashah).

The groups reading typically are defined as:

Jews: Beta-Israel; (African Ame/African from Ethiopia and are not Falash Mura)

Jews: Ashkenazi; (blonde hair blue eyed from Poland, Ukraine, Caucasian)

Jews: Kaifeng; (Asian from Imperial China, Japan, Central Asia)

Jews: Sephardi; (Spain, Portugal (Iberia Peninsula), Cuba; Latino; Mexico)

Full Power Harnessing Technique

The assigned reading is followed by each member of each group. For the week of July 4, 2026, the actually weekly assigned reading will come from:

- a. Deuteronomy 1:1-3:22 and Numbers 30:2-36:13
- b. Isaiah 66:1-24
- c. Luke 13:1-9; Mark 11:12-23

This means that wherever you enter a temple in or outside of the U.S.A., the entire group would have read the same Parasha Portion. Therefore, you will be aligned as one. Now, that doesn’t mean that if 2 people are standing in the same position that they are at the same level, but what it does say is that they will all hear the same word and yet obtain a different understanding. That said, it will all work in favor of the group as each will receive according to their respective gift.

Clarity

Hosanna Boys.

Triumphal Entry as prophesized at Zechariah 9:9

A program to help children.

Old Testament (stolen children)

Meshach, Shadrach and Abednego (All between the ages of 14-17). Daniel 3:16-28. All stolen and taken into bondage.

New Testament (stolen children)

Within the last 30 days A corrections and prison expert testifying for the defense stunned the courtroom when he referred to younger inmates as valuable to the state for their "sweat equity" (their physical labor) over the course of a life sentence. (Isaiah Chance, Sean Gathright, Rashad Murphy, and Davion Murphy). To be clear, I am not saying that there should be no punishment for crime. However, the disparity in sentencing is too vast to be overlooked. While rehabilitation is available to some only “being referred to as Sweat Equity or Chattel” for a lifetime is only available to others (slavery 2026 on steroids).

Chosen Three:

Trayvon Martin (age 17 at time of murder) to stop wealth transfer parents living in an affluent community;

Cyrus Carmack-Belton (age 14 at time of murder) allegedly killed for stealing a water (water represents full energy in motion, spiritual purity and protection); and

Karmelo Anthony (age 17 at time of incident) stolen and taken into bondage. True Hebrew sun with Locs of the hair cut to remove strength.

Methodology

1. Identify a place (location for the program) i.e., Church Space or Room; Parks and Recreation Center in your State (identifying and tying into locations in difference communities); Tech Schools; Barber Shops; YMCA's and Restaurants and/ or Local Businesses willing to donate space twice a week.
2. Identify and verify the background information on volunteers that are consistent with their time and commitment to the program.
3. Form an LLC, Corporation or act as a Sole Proprietor to create a Partnership Relationship with Hosanna Boys.

Once each leader has completed the above steps and has set aside a specific time 2 or more times a week (suggested 6-9 pm) to arrange for mentoring of the children, the work can now begin. The leadership will accept responsibility for developing an excellent team to include those licensed in the area of:

Mental Health; Engineers; Teachers; Carpenters; Equestrians; Reformed Ne'er do well's; Historians; Plumbers; Scientists; Grant-Writers; Business Developers; Housing Counselors; Ex-Offenders; Law Enforcement; Holistic Health Healers; Legal and Spiritual Advisors.

Hosanna Boys will make available to you: Business and Educational Programs, Collaboration Agreements, Budgets, and Measurable Outcomes and Goals are preliminarily addressed herein. However, they will be further defined once the source of funding has been identified. Accordingly, should you require any additional information, please do not hesitate to contact me directly by email at: drwandacasey@outlook.com put in the subject line the words “Hosanna Boys”. You will then have my immediate attention.

PROGRAM CORE CURRICULUM DEVELOPMENT STEPS

Goal: Mental health is an essential component of overall well-being. This program aims to promote mental health awareness, reduce stigma, and provide participants with practical strategies to manage stress, build resilience, and maintain emotional stability.

Objectives

1. Increase awareness and understanding of the problems young men face;
2. Encourage open conversations about mental well-being;
3. Determine the needs of the population served;
4. Teach healthy coping mechanisms and stress-management techniques;
5. Connect participants with available community resources and support services;
6. Provide healing for the entire house ultimately which would allow for a stronger family

Target Audience

young men, elderly men, students, employees, community members, and families

Program Activities

1. Varying Educational and Awareness Workshops

- Each vocation to provider Training in their area of expertise;
- Recognizing signs of stressfulness, anxiety, and depression;
- Building resilience;
- Teaching the Creation of Business Opportunities; and
- Transitioning Boys to Men Effectively

2. Stress Management Sessions

- Learning to Breathe Properly;
- Bringing the Mind and Spirit into Submission;
- Relaxation techniques; and
- Time management and work-life balance strategies

3. Necessity of Building Peer Support Groups

- Safe spaces for sharing experiences must be created;
- Guided discussions facilitated by trained Professionals; and
- Encouragement of mutual support and empathy

4. Physical Wellness Activities

- Group exercise, fitness sessions, and wellness classes;
- Education on the connection between physical and mental health

5. Resource Referral

- Access to professional counselors;
- Information on local resources and support services;
- Distribution of educational materials and resource guides

Implementation Schedule

- Week 1: Awareness campaign and orientation;
- Week 2: Workshops, management and training;
- Week 3: Support groups and wellness activities; and
- Week 4: Certificates; recognition; services and follow-up

This is done each month with different Professionals over a 12-month period. Therefore, if each professional shows up for a month at one location and then the following month at the next facility the rotation would work well.

Expected Outcomes

- Stability and increased knowledge among participants;
- Willingness to seek help and help others;
- Reduction in harmful decisions;
- Increase in the development of coping skills and social well-being; and
- Stronger support networks within the community

Conclusion

Hosanna Boys, will ultimately create a supportive environment where the transition from boyhood to manhood is treated with the proper care, valued, understood, and actively promoted. Through action, education, support, and wellness activities, participants can develop healthier habits and improve their overall quality of life. The end goal would be to teach the entire household to function effectively as one unit.
